Nr.	ASSIGNMENT	POINTS	ANSWER	✓
1	CROWN YOUR KING All successful teams need a kingpin. Please choose your leader and the chosen leader must then wear, at all times within the game, some form of physical identity to show that they are the leader. Then the leader will need to make themselves known to the teacher.	20		
2	Build the highest possible tower with your shoes and show your teacher(s)	40		
3	Decide a name for your team. The name must have some connection to social entrepreneurship.	0		

4	Suggestion: How tall is the tallest building in your country	10		
5	Suggestion: A question about the colours of the building you're in, so students have to go outside to watch.	30		
5	Suggestion: A question about an important event in your city	10		
6	Show the letter K to the teacher(s) without speaking, pointing, writing or miming it	20		
7	How many toilets are present in this building?	10		
8	Make your teacher laugh by telling a joke	20		
9	A riddle: What goes all around the world but stays in the corner?	20		
10	Dutch men are the tallest in the world. What is the average length of a Dutch man in cm? (deviation of 1 cm)	10		

11	Bring to your teacher exactly 15 blades of grass, six stones and a very small stick	60		
12	Draw a square and a triangle with a hat on	30		
13	Suggestion: How many steps are there on the big stairs from the bottom to the top in this building.	20		
14	Dutch women are not the tallest in the world (second place). What country do the tallest women live?	30		
15	Collect at least 4 items and create an object. Show it to your teacher.	20		
16	As a group, jump in the air 1 time and shout "(name of the teacher) is the best!"	50		
17	Please find out what country you would be in if you are landing at the following airports... <ul style="list-style-type: none"> • Don Muang Airport • Charles de Gaulle • Tambo International 	30 (10+10+10)		
18	Suggestion: Let students note a small detail of the building you're in, which can only be seen at the outside of the	40		

	building (so students have to go outside)			
19	Suggestion: Draw the logo of a social company which is familiar in your country	10		

END	Handing in your answers			
20	Within the limited time frame of 20 minutes you must make sure you hand in your answers to your teacher. When you hand in your scores you must be standing next to each other in order of height! If you are late or not in the correct order, you will lose 100 points!	-100
